

~ ACTION PLAN ~

Module 1 / Introduction

STEP BY STEP

1. Go to your ProfitPlatform account (you may need to log in).
<https://www.profitplatform.com/register-new-domain-name/>
2. Register a domain and request a new website build.
3. If you already have a registered domain name, click the link on the New Domain Name page above, or go direct:
<https://www.profitplatform.com/site-build-request/>
4. Once the website build is complete (usually within 6 business hours) get started customizing the site, adding content, based on your vision and goal for the site you will sell.
